Walking the path of Christ with love and service through a Catholic Education.

### Class Notes...

Winter is here! Two short weeks means a lot of trying to get back to "normal". Here are a few notes of what's been going on in first grade.

\*We did the marble mazes with our buddies. The kids had a great time planning and building...lots of activity!

\* We completed the Math MAP test and I saw good progress. We will do the Reading test on Monday. (Jan. 15)

\*We will do our Spelling test on Monday. Continue to study.

\*Also, continue to READ!!!

\*Please be sure to check your child's winter gear. You may want to send extra gloves or mittens as they get very wet at recess.

\*Also, ask your child about his/her gym clothing. Some students did not have their shirts this week.

And finally, please consider signing up for a part in our Catholic School's 4:00 Mass on Jan. 17. First graders LOVE being a part of the Mass and this would be a great way for your family to participate. Sign up here:
