Walking the path of Christ with love and service through a Catholic Education.

## Class Notes...

Time keeps ticking away...closer and closer to Thanksgiving! With so many things going on, please continue to read with your child. Also, please work with them on the weekly spelling words. The last few weeks I've noticed lower scores overall. Each week follows a certain spelling pattern that will help them with their reading.

I've been assessing the students on their sight words. If your child needs a little boost, word flashcards were sent home. Please practice with them as much as possible. Students can earn rewards for mastering each of the 4 levels.

Thank you for the plastic bags and empty paper towel rolls. Please continue to send any extra you may have. Also, I am in need of PAPER grocery bags. I would appreciate any that you could send for a turkey project next Wednesday. Thank you!

I hope you saw the prayer ring that was made this week. We will be starting to recite prayers to me next week. First graders should know The Glory Be, The Hail Mary and the Lord's Prayer, in addition to The Sign of the Cross. (for now)

Please check the school newsletter for more information.
