Class Notes...

We are still working on our routines, but we are getting much better!

Please keep reading and marking off on your reading log. Reading is so important!!

In your child's folder, you will find all the completed work from the past week. Most sheets will have a stamp or a smiley face on them. While I do look over all the work, not everything is assessed. The work that I do grade will have a 3-I can do it by myself; 2-I can do it with help; 1- I don't understand yet.

Just a note: Our classroom gets chilly at times. A long sleeved plain shirt can be worn under the regular polo.

Let me know if you have questions.
