

# First Grade News

September 22, 2023

## Class Notes...

First grade has been a busy place this week. We've learned some new Math games and did an engaging Science experiment. (see picture below)

We have a fun field trip planned for Oct. 13. We'll be going to the Schauer Art Center in Hartford for a performance of "The Tortoise and the Hare." It should be a lot of fun. The permission slip is in tonight's folder.

I've noticed that there are many reversals with numbers and letters. I do not correct those on assignments-it's very common in first grade. All homework has been done all year. Thanks!

We've earned our 50 class points, so we will have our reward on Tuesday, Sept. 26-Johnny Appleseed Day. We will have treats:)

## Coming up...

**Monday**-Music/Library

**Tuesday**-Music/Spanish/Art

**Wednesday**-Mass/Computer

**Thursday**-Spanish/Phy.Ed.

**Friday**-Computer/Phy. Ed.

If you have not signed up for some volunteer opportunities at our school, please check out the link below. Volunteering is a wonderful way to meet new people and get involved in your child's education. Thank you!
