

First Grade News

September 8, 2023

Class Notes...

We've completed week 2 and I have seen quite a bit of improvement with our voice levels!

Next week, we will start our "real first grade work." Look for a spelling list on Monday to keep at home for practice. Our spelling tests will be on Fridays. The list contains words with a specific pattern, which we practice all week.

We celebrated Mary's birthday today. The kids had fun making a paper statue and eating a treat.

Don't forget about our back to school Mass Saturday at 4:00; Steak Fry to follow. See you there!
